Assistant Commissioner for Patent
Washington D.C. 20231

SUPPLEMENTAL RESPONSE

Sir:

This is a supplemental response to the final Office Action mailed on November 6, 2001, and a response to the Advisory Action mailed on January 11, 2002. Applicants respectfully request entry of the following amendments and remarks into the file of the above-identified application. It is respectfully submitted that this response is timely filed within THREE MONTHS from the mailing date of the above-identified final Office Action.

In the Specification:

Please replace the paragraph beginning at page 1, line 7 with the following re-written paragraph:

-- This application claims the priority of U.S. provisional patent application serial no. 60/091,231 filed June 30, 1998.--
